WANT TO GET INVOLVED?

Welcome to St. James' Episcopal Church Skaneateles! The Bible recommends to all that "God has given each of you a gift from his great variety of spiritual gifts. Use them well to serve one another." 1Peter4:10. Getting involved at St. James' is easy and the best way to connect to a loving, faith-filled community. This guide includes a diverse assortment of vital volunteer and paid opportunities organized by areas of interest. There is something for everyone!

Each opportunity has a brief description, estimated time commitment and a contact person who can answer questions. As St. James' has navigated the pandemic, many of these ministries have become hybrid which means participation could be in-person as well as virtual. All are encouraged to explore any area you find interesting! Feel free to contact Laura Posecznick, Director of Congregational Ministries at laura@stjameskan.org or 315-685-7600 with any questions or just to chat about finding something that fits your time, talent and purpose!

WORSHIP

St. James' offers four unique worship services with three on Sunday and one on Wednesday evening. It takes a dedicated team of staff, clergy and volunteers to make these services happen each week. St. James' Church understands that worship is an action.

Liturgy, prayer and worship become more meaningful by your participation. There are numerous ways to be a part of worship services both in-person, virtual or "behind the scenes". Training is available for any position and grace abounds for all since the only one who is perfect is God.

ACOLYTES

The word "acolyte" means attendant or follower. Acolytes at St. James' perform the significant ministry of preparing the church for worship, participating in the flow of the liturgy, and assisting the clergy at the altar. Serving as an acolyte provides a unique opportunity for youth and adults to learn more about the "who, what, why, when, and how" of the time-honored Episcopal liturgy. Acolytes are an important part of the service, as they assist the clergy in preparing for Communion.

Time required: 1 to 2 hours, once a month, at the 7:30 a.m., 9:00 a.m. or 10:45 a.m. service.

Special skills needed: Adults or youth who have completed the 5th grade and who is dependable and attentive. Training manual, training sessions, and mentoring will be provided. Not as hard as it sounds!

ALTAR GUILD

St. James' Altar Guild is a dedicated group of women and men who prepare the church for Sunday worship, as well as special services such as weddings and funerals. Serving on Altar Guild gives you the opportunity to learn more about Episcopal liturgy and, perhaps even more important, get to know each other better. Altar Guild is an essential, behind-the-scenes

ministry necessary to make sure each service is ready from filling the candles to setting the communion table. The Altar Guild consists of four teams, each led by a chairperson/team leader.

Each team is responsible for one weekend of services per month and usually meets on Saturday morning to set up for the Sunday 7:30 a.m. service, but alternate times for set up can be arranged. Members also set and clean up after one Sunday service. St. James' needs altar guild members willing to come throughout Sunday to cover all services, and substitutes are available. Committees share responsibility for Christmas and Holy Week to accommodate members' family and work obligations and travel. Each team has "seasoned members" who guide those who are still learning. Altar Guild provides flexible schedules. Join Us!

Time required: 45 minutes to 1 hour – one Saturday morning per month (or an alternate time before Sunday morning) and 15 to 30 minutes – one Sunday morning per month.

Total: No more than 90 minutes each month. Additional service may be needed, as members are available, to set and clean up after occasional services during the week, such as weddings or funerals.

Special Skills Needed: A love of our worship services

EUCCHARISTIC MINISTERS, LECTORS, & READERS OF PRAYERS OF THE PEOPLE

Love to read or speak to an audience? St. James' has tons of opportunities throughout the year for those who enjoy speaking in public. Lay people will serve on Sunday morning, reading the scripture lessons or prayers of the people. Readings will be assigned ahead of time. When full communion is restored, Eucharistic ministers (chalice bearers) are utilized at all in-person worship. These individuals must be trained & licensed. Training will be provided as needed.

Serving as both chalice and reader at a service would help tremendously. The goal is to provide a very flexible schedule. The more people we have make this job a whole lot easier on everyone. Youth are also able to be a part of this ministry

Time required: Once or twice a month during one service. Special skills needed: Excellent reader skills, understanding of this ministry's importance, responsibility to serve or find a substitute.

Special skills needed: Adults or youth who have completed the 5th grade and who are dependable and attentive. Training manual, training sessions, and mentoring will be provided. Not as hard as it sounds!

USHERS (SUNDAYS 7:30 A.M./9:00 A.M./10:45 A.M.)

Clearly ushers are the face of St. James'! There is nothing more important than greeting everyone who enters the red doors on Sunday mornings, with the warmth and love of God. St. James' ALWAYS needs two people (or a family) to usher at all services on Sunday morning: 7:30 a.m., 9:00 a.m., and 10:45 a.m. Additionally, ushers are required at funerals or special programs. This job includes greeting, distributing bulletins, counting people in attendance, guiding communion flow and a brief clean up. Instruction is always provided.

Time required: 1-1.5 hours one Sunday a month (the more we have the more flexible the schedule)

MUSIC

St. James' Church is blessed to have the most glorious music ministry. From traditional organ hymns to inspirational praise music, St. James' offers sounds that come straight from the Holy Spirit.

Talent abounds! If you would like to play an instrument or lend your voice to either the choir or band, please take a look below.

Choir

The purpose and mission of the St. James' Chancel Choir is to provide quality spirit-filled music for the praise and worship of God, particularly at the 9:00 a.m. service. This ministry strives to be sensitive to the needs and direction of the parish and looks for ways music can support, strengthen, and enrich everyone's spiritual journey.

Special skills needed: No special music skills are needed, just a song and a smile in your heart. We sing a wide variety of musical styles and difficulty levels and have a lot of fun preparing music for worship services. This is a great way to serve the parish through music and all high school youth and adult singers are welcome.

Time required: 6:45 – 8:15 p.m., Thursday Rehearsal & Sundays 8:30 a.m. (warm up for 9 a.m. Worship)

The band is made up of volunteers from the congregation that meet at 10:00 on Sunday mornings and Wednesdays from 7:00 p.m. to 8:00 p.m. The band could always use individuals who play an instrument whether you wish to do it every Sunday or once in a while. The Worship Band is very flexible and also looks to enhance music selections during the holidays. Anyone interested in singing or playing an instrument should contact Michael Larkin.

AUDIO VISUAL WORSHIP TECHNOLOGY

Over the past two years, St. James' has invested heavily in its technology. This allows worship, programming, music, prayer, and fellowship to literally reach people wherever they are. Being a consistent resource for God's love and support, St. James' is committed to continue livestreaming worship into the future. The St. James' Audio Visual Technology department, led by Michael Larkin, Director of Contemporary Music and Technology ensures set up, sound quality both inside the church and virtually, and visual livestreaming including the creation of state-of-the-art videos.

The St. James' Tech Team will consist of two technicians working alongside the director of contemporary music & technology with independent and overlapping responsibilities.

St. James' will count on these individuals to manage all technical aspects of in-person and at-home worship. The hope is each will be cross-trained to allow for schedule flexibility. Although some experience with audio engineering or videography is welcome, we are open to meeting candidates who simply have great active listening skills, are comfortable with tablets and smartphones, and ideally have some experience as a musician (even if you're not a professional).

NOTE: Both Media Engineer Positions are paid positions and require interviews and approval from the director of contemporary music & technology.

Stephen Ministry

St. James' Stephen Ministers assist Rev. Becky Coerper to reach more people with care than clergy can reach by themselves. Stephen Ministry enhances the outreach by creating a "caring ministry explosion" where many, instead of a few, are offering God's love and care in intentional, systematic ways. Extensively trained people offer confidential, weekly, one-on-one care to those dealing with illness, loss, or other difficulties. If you are interested in hearing more about Stephen Ministry or desire to become a Stephen Minister, let Nancy Graham or Rev. Becky Coerper know and we will answer any questions you may have. An upcoming training class is offered (four weeks of mini-training) for anyone who would like to refresh skills or start the process of becoming a pastoral care giver.

Time required: approximately 1 hour weekly.

COOKING/BAKING

Making and delivering meals to those in need is an incredible gift. It may seem small, however so many struggle with life's challenges that preparing a warm,

Time required: The Martha's divide up the responsibilities, shop for the food, make labels, and gather in the parish hall kitchen to stock the freezer. Usually meet once a month, during the day.

Cayuga County Jail Ministry

Ellen Kulik and Cindy Bright are members of an Ecumenical Jail Ministry at the Cayuga County Jail, located on County House Road in Auburn. Teams of 2 visit the men and women at the jail to offer prayer, song, support, devotionals, and study of the Bible. Our goal in visiting the incarcerated men and women is to offer the presence of Christ to them. Besides their GED program, our group meetings are the only programming available at the jail. The goal is to help them turn towards the Lord and move towards recovery.

Opportunities:

- We need more volunteers willing to visit the men at the jail. Currently we have only one female volunteer visiting the men.
- We are looking for people willing to serve as a pen pal with men and women incarcerated at the jail who are lonely and have very few visitors. You will only share your first name with the inmates. Guidelines will be provided.

Time Commitment Required: 30-60 minutes every 1-2 weeks.

Talents or Interests Helpful: For Pen Pals: Letter writing (hand written or typed), empathy, desire to reach out to those in need. For visitors: Ability to suspend judgment; and willingness to pray out loud with others and lead discussion about the Bible, faith, and struggles.

auburn rescue mission

Life Changing

AUBURN RESCUE MISSION

A year-long discernment process in 2015 led St. James' to identify three areas of vulnerability in which St. James' is called by God to serve. These areas are: affordable housing, mental health and supporting youth locally. Putting these into action, St. James' is partnering with the Auburn Rescue Mission. As Christians, we are asked to be followers of Jesus. That is done not only at Sunday worship, but in everyday life in our community as well. It is good to be continually asking ourselves and this Church how we all can serve Christ in the community around us.

Time required: approximately 1 hours.

Talents or Interests Helpful: A desire to be open to God's calling as to how we can serve those in need in our community.

With the partnership St. James' has with the Auburn Rescue Mission, there is an opportunity to engage the tenants of the Merriman Circle neighborhood in Auburn. The tenants are in a situation where they have recently come out of homelessness and are living in the Merriman Circle neighborhood in an attempt to learn life skills transitioning to a new life.

St. James' volunteers facilitate monthly activities/crafts for the children/families.

Time required: volunteering to make monthly deliveries.

Special skills needed: Just the desire to help others do the everyday tasks we take for granted.

ST. JAMES' THRIFT SHOP

This amazing little shop has been serving the community for over 50 years. It is completely run by volunteers. Donations come from the community, volunteers take in the merchandise, price it, organize it and sell it! The Thrift Shop also provides clothing for those in need at no cost. All funds raised at the shop are put back into the business or given to St. James' ministries to help fund the work of God. Donations are accepted on Monday and Tuesday between the house of 10 a.m. -1 p.m. Shop retail hours are on Wednesdays-Saturdays 10 a.m. -4 p.m. The St. James' Thrift Shop is open on Sundays only through the Dickens Christmas Season. There is a shortage of volunteers due to covid who are willing

to work during the retail times. Each shift is only 3 hours and if you could give of your time, cashiers or assistants to the cashiers are truly needed especially during holiday times. The St. James' Thrift Shop takes both cash and credit cards now! It is all very basic and easy! Training is available and responsible youth are more than welcome to work with an adult. If you love to work with the community and be a part of the bustling downtown Skaneateles life, this is the volunteer opportunity for you.

Time Commitment: 3 hours a month

SAFETY COMMITTEE

(FORMERLY RE-OPENING TASK FORCE)

St. James' is committed to keeping anyone who enters its doors safe and healthy. The Covid-19 pandemic brought numerous challenges especially as the doors re-opened and in-person gatherings resumed. This Safety committee is made up of parishioners who are experienced professionals in their fields of medicine, bioscience, business, etc. This hard working group keeps current on all local, state and Diocesan protocols to recommend health practices for those who come to St. James'. As part of the "new normal", St. James' will continue to utilize this committee to review safety and health practices for worship and programs at St. James'. The time commitment of this group is typically once a month or as required based on local health concerns. If you wish to participate in this committee, please contact Rev. Becky Coerper at Becky@stjameskan.org.

WEDDINGS

St. James' Episcopal Church continues to be the choice of many couples looking to be married. The number grows each year. Weddings large and small happen throughout the year. Due to the large number and diverse logistics required, Rev. Becky Coerper requires assistance to make each wedding both special and organized. Each wedding at St. James' requires a wedding assistant to help interface with the photographers, videographers and families. The assistant is at both the rehearsal and wedding from set up to close up. Also, greeters/ushers are needed to help inform guests of safety protocols, hand out bulletins, answer questions and be the "face" of St. James'. Greeters only need to attend for the beginning of the rehearsal & wedding service. Weddings are throughout the year and volunteers can choose the ones that work for their schedule. If you have an interest in serving as a Wedding Assistant or Greeter, please contact Rev. Becky Coerper at Becky@stjameskan.org.

LAKESIDE PERFORMING ARTS SERIES

The Lakeside Performing Arts Series at St. James' opens its doors to the entire Skaneateles community, and beyond, by offering musical and artistic performances that have enchanted audiences since time in memoriam. The pandemic required programming to be stopped but plans are in the works for some performances in 2022. In 2022, LPAS will present several concerts/presentations in collaboration with St. James' Racial Justice and Reconciliation Commission theme for 2022 - Open and Curious: An Invitation to Learn about Racism and Social Justice, featuring performers from Syracuse University, and others, who will engage the audience in cultural conversation after their performances. If you have an interest in helping with this fun and culturally invigorating group, please contact Kip Coerper at Kip@stjameskan.org.

YOUTH & CHILDREN'S MINISTRY

Nursery

Traditionally, safe-church trained parents and volunteers offer staffed nursery care for infants to age three during St. James' Sunday, 9:00am worship service. Due to the pandemic, the nursery will not be staffed until the risk of exposure is greatly reduced. Families are welcome to use the nursery at any other service as long as they stay with their children. The nursery is wired with speakers to enable parents to enjoy the service. When the nursery re-opens for staffed time on Sundays, volunteers will be required.

Time Required: 1 hour to 2 hours a month: (currently not being staffed)

Special Skills needed: Each caregiver is required to be safe-church trained.

YOUTH & CHILDREN'S MINISTRY

4WEST Middle & High School Youth Group

This group consists of youth from four local episcopal parishes. The program continually evolves to best serve this extremely busy and challenged age-group. This year the program focuses on providing youth opportunities to serve the community and tangible ways to grow closer to Jesus. All programs are in-person with some activities inside and outside.

For the complete schedule, please check out [St-JamesSkan.org](http://StJamesSkan.org) or contact Rev. Becky Coerper at Becky@stjameskan.org.

Sunday School: Saints in Training (PreK-5th Grade)

Sunday School is held every Sunday from 9:00 a.m. to 10:15 a.m. (during Sunday 9am worship) from September through May. It is in a large group format allowing for older children to mentor younger ones. Due to the pandemic, Saints in Training has gone hybrid! The class is both in-person (masked) and virtual on zoom each Sunday allowing for family flexibility and safety. The 2022 curriculum is interactive with videos, crafts, experiments and games all focusing on the Foundations of Faith. All themes, handouts, videos, etc. are emailed to families each week as well as placed on StJamesSkan.org/Sunday-School webpage for parents to download at home. This loving group of children are fun and energetic. Since the age range is large, help with the younger children is required. Parents as well as other volunteers to help the lead teacher are really appreciated.

Time Required: 1 hour to 2 hours a month depending on schedule

Special Skills needed: Each teacher is required to have a background check as well as attend Safe Church training.
